

Check In / Check Out Procedures:

The safety of your children is our first priority. Parents/guardians must follow the check in/check out procedures listed below:

- Complete and sign the consent form and liability release prior to usage.
- Sign your children in with a Childcare Attendant when you bring them to Kid's Gym.
- When picking up children, you must sign them out of Kid's Gym.

Only the parent/guardian who dropped the children off will be allowed to pick the children up, unless prior written notification has been left with the Childcare Attendant. In that case, the person picking up the children will be required to present a picture I.D.

The Kid's Gym staff is responsible for monitoring the length of each visit.

In the event of an emergency, the parent/guardian will be located or notified through the paging system by a staff member of Kid's Gym.

Special Needs Children:

PHFC Staff and Kid's Gym personnel will make every reasonable effort to accommodate a special needs child. Parents may also be required to make special provisions.

Child Guest Policy:

Members may bring other children to Kid's Gym by presenting a consent form that has been completed by the visiting child's parent/guardian. The member's name must be on the consent form, along with the signature of the parent/guardian.

Grandparents may bring their grandchildren to Kid's Gym by presenting a consent form signed by the parent/guardian. In instances where children are visiting, and parents live out of town, the consent form must be signed and notarized.

Snack Time / Refreshments:

Parents are not permitted to bring food or chewing gum to Kid's Gym. Kid's Gym has light, nutritious snacks available. If your child needs to be fed, we ask that you feed him/her before coming to Kid's Gym. Cups are provided for water.

Special Considerations:

Children must be apparently healthy and free from fever, colds, runny noses and contagious diseases. No medications will be dispensed.

Discipline:

If a child refuses to obey the rules, he or she will be reminded of them. After repeated instruction and continued disruption, the staff will page the parent or guardian and ask them to remove the child for that shift.

Activities:

Children in Kid's Gym will do various recreational activities including swimming, basketball and walking the track.

During swim time, the children will need appropriate swim attire. Those choosing not to swim will be required to remain in the pool area with the Kid's Gym Instructors.
